STRANGE CAREER OF LADY COOK
Lady Cook, who was formerly Tennessee C. Claffin, has returned here to the scene of her former exploits, declaring that her fortune of \$1,000,000 shall hereafter be devoted to the woman's suffrage movement. She expresses her intention of going to Washington to talk the subject over with President Taft and with congress, says a writer in Current Literature. Born in a little town in Ohio nearly seventeen years ago, she and her sister, Victoria—afterward Victoria Woodhull—became spiritualistic mediums early in life, and earned, it was said, as much as \$100,000 a year. In 1875 they appeared on Wall street as partners in a brokerage business, with a check from Commodore Vanderbilt as their capital. They started a weekly paper later and discussed sex problems in it and on the platform with such freedom that they were both imprisoned in Ludlow street jail. They were emphatically held by the

When Starting on that Winter Trip Don't Forget

NEWBRO'S HERPICIDE One of the Essentials

On your winter vacation you will most certainly want a bottle of Herpicide. This is doubly true if your trip contemplates a visit to a warmer climate. It is under conditions of warmth and humidity that the viciousness of the dandruff germ is particularly noticeable.

AS IMPORTANT AS HER TOOTH BRUSH.

"I find Newbro's Herpicide very beneficial for dandruff. I would no more think of going on a journey without a bottle of Herpicide than I would without my tooth powder. By using it often and thoroughly I find I do not require a shampoo as frequently and my hair is much nicer."
Middlebury, Vt. Mrs. M. J. Wiltz

AN OPINION FROM THE WORLD'S GREATEST LADY RIFLE SHOT.

"Traveling as I do—almost continuously, I have been troubled a great deal with dandruff and falling hair until I tried Herpicide. I never found a remedy that was satisfactory. Herpicide is a delightful preparation and fulfills the claims you make for it and no lady's toilet is complete without it. I heartily recommend it to my friends."
Nuttley, N. J. Annie Oakley.

The germ is always busy. There is no escape except in the use at regular intervals of Newbro's Herpicide. Herpicide carries sure and certain death to this germ and is the one really reliable remedy.

An imitation or something just as good won't do. Insist on having genuine Herpicide.

ILLINOIS SOCIETY PICNIC

SATURDAY, MARCH 12

Luncheon to Be Eaten at Indian School

Grounds—Letters From Robert

T. Lincoln and Others.

One of the annual events looked forward to by former residents of Illinois is the annual picnic of the Illinois Society of Arizona, which will be held this year at the U. S. Indian school grounds on Saturday, March 12. This picnic has, in former years, been held on Lincoln's birthday, but owing to the fact that this year Lincoln's birthday fell during vacation week, the board of directors of the society set March 12 as the date for the picnic. Various committees have been appointed to look after the entertainment features which will consist of athletic sports and literary program and the orderly feeding of the inner man and woman. The hour of commencement is set for 10 o'clock in the morning, and from then to the middle of the afternoon there will be an idle moment. Dwight B. Hagar, president of the society has already in his possession some interesting letters to be read on the occasion, including a letter from Robert T. Lincoln. Other features will be presented that will prove of great interest to all those who attend.

As many have arrived in this valley from Illinois since the last picnic, it is desired that they make themselves known by registering with the secretary of the society.
